

Resources for South Asian youth

Gender-Based Violence Toolkit

- Laadliyan, Celebrating & Empowering Daughters created this toolkit to provide members of the South Asian community with a simple but comprehensive tool they can refer to if they or a loved one is experiencing gender based violence.

Gender-Based Violence in the South Asian Community (Webinar)

- This presentation discusses the work Laadliyan does in the South Asian community, particularly within the Peel Region, with a focus on gender-based violence. It focuses on previous research conducted by Laadliyan's team on this issue, a gender-based violence toolkit that was created, and the work Laadliyan is doing to combat this issue in their local community.
